

**Date: January 2019**

Thank you to our Parents for attending the Reading Workshop in preparation for the SATS.

It was brilliant to see so many enthusiastic parents who wanted to take part and ask questions. Parents and children completed various reading activities and shared their learning together.

“The more you **read**  
the more **things** you know.  
The more that you **learn**  
the more **places** you’ll go.”  
-Dr. Seuss
